EXPERIENCE

KMSSS - TECH MAHINDRA FOUNDATION | WEB DESIGNING AND DEVELOPMENT INTERN

June 2024 – July 2024 | WordPress

- designed and developed a foundation's website according to the founder's specific needs, ensuring it met their vision and objectives.
- Our job also involved regular updates to keep the site current and functional.
- This comprehensive approach used advanced web design techniques to maintain a dynamic and effective online presence.

PROJECTS

CURRENTLY WORKING ON THIS PROJECT INTEGRATED DIGITAL PLATFORM FOR DOG OWNER COMMUNITY AND PET CARE SERVICES

2025 – Present

- Waggles is a comprehensive platform for dog owners, connecting you with a vibrant community and essential pet care services.
- Access expert advice, support dog shelters through donations, and find adoptable dogs and quality pet products all in one place
- Enhance your dog's life and make a positive impact with Dog.

LEADERSHIP
